SCHEDULE B
Management Report

March 31, 2026

Vancouver Island Health Authority

MANAGEMENT REPORT

The financial statements of the Vancouver Island Health Authority (the "Authority") for the year ended March 31, 2026, contained in this Statement of Financial Information under the *Financial Information Act,* have been prepared by management in accordance with Canadian Public Sector Accounting Standards ("PSAS") issued by the Public Sector Accounting Board ("PSAB"), as required by the financial reporting provisions of Section 23.1 of the *Budget Transparency and Accountability Act* of the Province of British Columbia and, with respect to the accounting for restricted contributions, the *Restricted Contributions Regulation*, B.C. Reg. 198/2011. The integrity and objectivity of these statements are management's responsibility.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises this responsibility through the Finance and Audit Committee of the Board. The Finance and Audit Committee meets with management and the internal auditor no fewer than four times a year and the external auditor a minimum of two times a year.

The Authority's internal auditor independently evaluates the effectiveness of internal controls on an ongoing basis and reports the findings to management and the Finance and Audit Committee.

The external auditor, KPMG LLP, conducts an independent examination, in accordance with Canadian generally accepted auditing standards, and expresses their opinion on the financial statements. Their examination considers internal control relevant to management's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purposes of expressing an opinion on the effectiveness of the Authority's internal control. The external auditor has full and free access to the Finance and Audit Committee of the Board and meet with it on a regular basis.

On behalf of the Vancouver Island Health Authority,

Kathryn E. MacNeil

Year ended March 31, 2026

Statement of Management Responsibility

The financial statements of the Vancouver Island Health Authority (the "Authority") for the year ended March 31, 2026 have been prepared by management in accordance with Canadian public sector accounting standards ("PSAS") issued by the Public Sector Accounting Board ("PSAB"), as required by Section 23.1 of the *Budget Transparency and Accountability Act* of the Province of British Columbia and in regard to the accounting for restricted contributions which is based on the Restricted Contributions Regulation 198/2011. The integrity and objectivity of these statements are management's responsibility.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and exercises this responsibility through the Finance and Audit Committee of the Board. The Finance and Audit Committee meets with management and the internal auditor no fewer than four times a year and the external auditor a minimum of two times a year.

The Authority's internal auditor independently evaluates the effectiveness of internal controls on an ongoing basis and reports the findings to management and the Finance and Audit Committee.

The external auditor, KPMG LLP, conducts an independent examination, in accordance with Canadian generally accepted auditing standards, and expresses their opinion on the financial statements. Their examination considers internal control relevant to management's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purposes of expressing an opinion on the effectiveness of the Authority's internal control. The external auditor has full and free access to the Finance and Audit Committee of the Board and meet with it on a regular basis.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Vancouver Island Health Authority, and
To the Minister of Health, Province of British Columbia

Opinion

We have audited the financial statements of Vancouver Island Health Authority (the Authority), which comprise:

- the statement of financial position as at March 31, 2026
- the statement of operations and accumulated deficit for the year then ended
- the statement of changes in net debt for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements as at and for the year ended March 31, 2026 of the Authority are prepared, in all material respects, in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the ***"Auditor's Responsibilities for the Audit of the Financial Statements"*** section of our Auditor's report.

We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KPMG LLP, an Ontario limited liability partnership and member firm of the KPMG global organization of independent member firms affiliated with KPMG International Limited, a private English company limited by guarantee. KPMG Canada provides services to KPMG LLP.

Emphasis of Matter – Financial Reporting Framework

We draw attention to Note 1(a) to the financial statements which describes the applicable financial reporting framework and the significant differences between that financial reporting framework and Canadian public sector accounting standards.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of Section 23.1 of the Budget Transparency and Accountability Act of the Province of British Columbia and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Authority's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Authority's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

  The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Authority to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cash and cash equivalents, beginning of year	330,495	391,199
Cash and cash equivalents, end of year	$ 430,867	$ 330,495

See accompanying notes to financial statements.

Vancouver Island Health Authority (the "Authority") was created under the *Health Authorities Act of British Columbia* on December 12, 2001 with a Board of Directors appointed by the Ministry of Health (the "Ministry") and is one of six health authorities in British Columbia ("BC"). The Authority is dependent on the Ministry to provide sufficient funds to continue operations, replace essential equipment, and complete its capital projects. The Authority is a registered charity under the *Income Tax Act*, and is exempt from income and capital taxes.

The role of the Authority is to promote and provide for the physical, mental and social well-being of people who live in the Vancouver Island region and those referred from outside the region.

1. Significant accounting policies:

(a) Basis of accounting:

The financial statements are prepared in accordance with the financial reporting provisions of Section 23.1 of the *Budget Transparency and Accountability Act* of the Province of BC supplemented by Regulations 257/2010 and 198/2011 issued by the Province of BC Treasury Board, referred to as the financial reporting framework ("the framework").

The *Budget Transparency and Accountability Act* requires that the financial statements be prepared in accordance with the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada, or if the Treasury Board makes a regulation, the set of standards and guidelines that comprise generally accepted accounting principles for senior governments in Canada as modified by the alternate standard or guideline or part thereof adopted in the regulation.

Regulation 257/2010 requires all tax-payer supported organizations in the Schools, Universities, Colleges and Hospitals sectors to adopt Canadian public sector accounting standards ("PSAS") issued by the Canadian Public Sector Accounting Board ("PSAB") without any elections available for government not-for-profit organizations.

Regulation 198/2011 requires that restricted contributions received or receivable are to be reported as revenue depending on the nature of the restrictions on the use of the funds by the contributors as follows:

(i) Contributions for the purpose of acquiring or developing a depreciable tangible capital asset or contributions in the form of a depreciable tangible capital asset are recorded and referred to as deferred capital contributions and recognized in revenue at the same rate that amortization of the related tangible capital asset is recorded. The reduction of the deferred capital contributions and the recognition of the revenue are accounted for in the fiscal period during which the tangible capital asset is used to provide services. If the depreciable tangible capital asset funded by a deferred contribution is written down, a proportionate share of the deferred capital contribution is recognized as revenue during the same period.

(ii) Contributions externally restricted for specific purposes other than those for the acquisition or development of a depreciable tangible capital asset are recorded as deferred operating contributions or deferred research and designated contributions, and recognized in revenue in the year in which the stipulation or restriction on the contributions have been met by the Authority.

1. Significant accounting policies (continued):

(a) Basis of accounting (continued):

For BC tax-payer supported organizations, these contributions include government transfers and externally restricted contributions.

The accounting policy requirements under Regulation 198/2011 are significantly different from the requirements of PSAS which require that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified; and
- deferred contributions meet the definition of a liability.

As a result, revenue recognized in the statement of operations and certain related deferred capital contributions would be recorded differently under PSAS.

(b) Cash and cash equivalents:

Cash and cash equivalents include cash on hand, demand deposits and short-term highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. These investments generally have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

(c) Accounts receivable:

Accounts receivable are recorded at amortized cost less an allowance for doubtful accounts. Valuation allowances are made to reflect accounts receivable at the lower of amortized cost and the net recoverable value when risk of loss exists. Changes in valuation allowance are recognized in the statement of operations. Interest is accrued on loans receivable to the extent it is deemed collectable.

(d) Inventories held for sale:

Inventories held for sale are recorded at the lower of weighted average cost or net realizable value. Cost includes the purchase price, import duties and other taxes, transport, handling and other costs directly attributable to the acquisition. Net realizable value is the estimated selling price less any costs to sell.

Inventories held for sale include pharmaceutical and other medical supplies.

(e) Employee benefits:

(i) Defined benefit obligations, including multiple employer benefit plans:

Liabilities, net of plan assets, are recorded for employee retirement allowance benefits and multiple employer defined long-term disability and health and welfare benefits plans as employees render services to earn benefits.

1. Significant accounting policies (continued):

(e) Employee benefits (continued):

(i) Defined benefit obligations, including multiple employer benefit plans (continued):

The actuarial determination of the accrued benefit obligations uses the projected benefit method prorated on service which incorporates management's best estimate of future salary levels, other cost escalation, retirement ages of employees and other actuarial factors. Plan assets are measured at fair value.

The cumulative unrecognized actuarial gains and losses for retirement allowance benefits are amortized over the expected average remaining service period of active employees covered under the plan. The expected average remaining service period of the active covered employees entitled to retirement allowance benefits is 12 years (2025 – 11 years). Actuarial gains and losses from event-driven benefits such as long-term disability and health and welfare benefits that do not vest or accumulate are recognized immediately.

The discount rate used to measure an obligation is based on the Province of BC's cost of borrowing if there are no plan assets. The expected rate of return on plan assets is the discount rate used if there are plan assets. The cost of a plan amendment or the crediting of past service is accounted for entirely in the year that the plan change is implemented.

(ii) Defined contribution plans and multi-employer benefit plans:

Defined contribution plan accounting is applied to multi-employer defined benefit plans and, accordingly, contributions are expensed when due and payable.

(iii) Accumulating, non-vesting benefit plans:

Benefits that accrue to employees which do not vest, such as sick leave banks for certain employee groups, are accrued as the employees render services to earn the benefits, based on estimates of the expected future settlements.

(iv) Non-accumulating, non-vesting benefit plans:

For benefits that do not vest or accumulate, a liability is recognized when an event that obligates the Authority to pay benefits occurs.

(f) Asset retirement obligations:

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- there is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- the past transaction or event giving rise to the liability has occurred;
- it is expected that future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

1. Significant accounting policies (continued):

(f) Asset retirement obligations (continued):

Certain building and fuel tank assets contain hazardous materials, and it is the Authority's practice to, as necessary, remediate these hazardous materials either on disposal of a tangible capital asset or in the course of completing repairs and maintenance. The liability for the removal of asbestos and other hazardous material in some buildings owned by the Authority, and fuel tanks located on sites owned by the Authority, have been recognized based on estimated future expenses to remediate the sites.

Under the modified retrospective method, the assumptions used on initial recognition are those as of the date of adoption of the standard. Assumptions used in the subsequent calculations are revised annually. When the amount and timing of future cash flows of a remediation or demolition project are known, the liability is discounted using a present value calculation, and adjusted yearly for accretion expense up to the time the project commences.

The recognition of the asset retirement obligations resulted in an accompanying increase to the respective tangible capital assets. The increase in building and fuel tank assets is being amortized in accordance with the amortization accounting policies outlined in note 1(g)(i). Fuel tanks are considered building service equipment and are presented within the building capital asset account.

(g) Non-financial assets:

(i) Tangible capital assets:

Tangible capital assets are recorded at cost, which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset and overhead directly attributable to construction and development. Interest is capitalized over the development period whenever external debt is issued to finance the construction and development of tangible capital assets.

The cost, less residual value, of the tangible capital assets, excluding land, is amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Basis
Land improvements	5 – 25 years
Buildings	5 – 50 years
Equipment	3 – 20 years
Information systems	3 – 10 years
Assets under capital lease and leasehold improvements	Lease term

Assets under construction or development are not amortized until the asset is available for productive use.

1. Significant accounting policies (continued):

(g) Non-financial assets (continued):

(i) Tangible capital assets (continued):

Tangible capital assets are written-down when conditions indicate that they no longer contribute to the Authority's ability to provide services, or when the value of future economic benefits associated with the tangible capital assets is less than their net book value. The write-downs of tangible capital assets are recorded in the statement of operations. Write-downs are not subsequently reversed.

Contributed tangible capital assets are recorded at their fair market value on the date of contribution. Such fair value becomes the cost of the contributed asset. When fair value of a contributed asset cannot be reliably determined, the asset is recorded at nominal value.

(ii) Purchased intangibles:

Purchased intangible assets are initially recorded at cost, which includes the purchase price and any directly attributable costs.

Purchased intangibles with finite lives are amortized over their estimated useful lives, which are reviewed annually for impairment, or whenever events or changes in circumstances indicate that the benefits associated with the intangible asset are less than their net book value. Purchased intangibles with indefinite useful lives are not amortized but are tested for impairment annually, or whenever events or changes in circumstances indicate the net book value exceeds the value of the purchased intangible. The write-downs of purchased intangible assets are recorded in the statement of operations. Write-downs are not subsequently reversed.

(iii) Inventories held for use:

Inventories held for use are recorded at the lower of weighted average cost and replacement cost. Certain inventory items are held on consignment and are not included in inventory.

(iv) Prepaid expenses:

Prepaid expenses are recorded at cost and amortized over the period the service benefits are received.

(h) Revenue recognition:

Under the *Hospital Insurance Act* and *Regulation* thereto, the Authority is funded primarily by the Province of BC in accordance with budget management plans and performance agreements established and approved by the Ministry.

Revenues from transactions with performance obligations are recognized when (at a point in time) or as (over a period of time) the Authority satisfies the performance obligations, which occurs when control of the benefits associated with the promised goods or services has passed to the payor.

1. Significant accounting policies (continued):

(h) Revenue recognition (continued):

Revenues from transactions without performance obligations are recognized at realizable value when the Authority has the right to claim or retain an inflow of economic resources received or receivable and there is a past transaction or event that gives rise to the economic resources.

Unrestricted contributions are recognized as revenue when receivable if the amounts can be estimated and collection is reasonably assured.

Externally restricted contributions are recognized as revenue depending on the nature of the restrictions on the use of the funds by the contributors as described in note 1(a).

Volunteers contribute a significant amount of their time each year to assist the Authority in carrying out its programs and services. Because of the difficulty of determining their fair value, contributed services are not recognized in these financial statements.

Contributions of assets, supplies and services that would otherwise have been purchased are recorded at fair value at the date of contribution, provided a fair value can be reasonably determined.

Contributions for the acquisition of land, or the contributions of land, are recorded as revenue in the period of acquisition or transfer of title.

(i) Measurement of uncertainty:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period.

Areas requiring the use of estimates include the estimated useful lives of tangible capital assets, amounts to settle asset retirement obligations, contingent liabilities, and the future costs to settle employee benefit obligations.

Estimates are based on the best information available at the time of preparation of the financial statements and are reviewed annually to reflect new information as it becomes available. Actual results could differ from the estimates.

(j) Restricted assets:

Restricted assets are comprised of endowment contributions which are externally restricted in their use. Endowment contributions are recorded as revenue in the period of acquisition. Use of these funds is limited to the terms of reference.

(k) Foreign currency translation:

The Authority’s functional currency is the Canadian dollar. Foreign currency transactions are translated at the exchange rates prevailing at the date of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated into Canadian dollars at the exchange rate prevailing at the financial statement date. Any gain or loss resulting from a change in rates between the transaction date and the settlement date is recognized in the statement of operations.

1. Significant accounting policies (continued):

(l) Financial instruments:

Financial instrument classification is determined upon inception and financial instruments are not reclassified into another measurement category for the duration of the period they are held.

Financial assets and financial liabilities, other than derivatives, equity instruments quoted in an active market and financial instruments designated at fair value, are measured at cost or amortized cost upon their inception and subsequent to initial recognition. Cash and cash equivalents are measured at cost. Accounts receivable are recorded at amortized cost less any allowance for doubtful accounts. Portfolio investments, other than equity investments quoted in an active market, are reported at cost less any write-downs associated with a loss in value that is other than a temporary decline. All debt and other financial liabilities are recorded using cost or amortized cost.

All financial assets recorded at amortized cost are tested annually for impairment. When financial assets are impaired, impairment losses are recorded in the statement of operations. A write-down of a portfolio investment to reflect a loss in value is not reversed for a subsequent increase in value.

For financial instruments measured using amortized cost, the effective interest rate method is used to determine interest revenue or expense.

Transaction costs for financial instruments measured using cost or amortized cost are added to the carrying value of the financial instrument. Transaction costs for financial instruments measured at fair value are expensed when incurred.

A financial liability or its part is derecognized when it is extinguished.

Management evaluates contractual obligations for the existence of embedded derivatives and elects to either designate the entire contract for fair value measurement or separately measure the value of the derivative component when characteristics of the derivative are not closely related to the economic characteristics and risks of the contract itself. Contracts to buy or sell non-financial items for the Authority's normal purchase, sale or usage requirements are not recognized as financial assets or liabilities.

(m) Capitalization of public-private partnership projects:

Public-private partnership ("P3") projects are delivered by private sector partners selected to design, build, finance, and maintain the assets. The cost of the assets under construction are estimated at fair value, based on construction progress billings verified by an independent certifier, and also includes other costs incurred directly by the Authority.

The asset cost includes development and financing fees estimated at fair value, which require the extraction of cost information from the financial model embedded in the project agreement. Interest during construction is also included in the asset cost and is calculated on the P3 asset value, less contributions received and amounts repaid, during the construction term. The interest rate used is the project internal rate of return. When available for operations, the project assets are amortized over their estimated useful lives.

Correspondingly, an obligation net of contributions received, is recorded as a liability and included in debt.

1. Significant accounting policies (continued):

(m) Capitalization of public-private partnership projects (continued):

Upon substantial completion, the private sector partner receives monthly payments over the term of the project agreement to cover the partners' operating costs, financing costs and a return of their capital.

(n) Budget figures:

Budget figures have been provided for comparative purposes and have been derived from the Authority's Fiscal 2025/2026 Budget approved by the Board of Directors on June 25, 2025. The budget is reflected in the statement of operations and accumulated deficit and the statement of changes in net debt.

(o) Future accounting standards:

(i) PSAB completed a project to review and update the conceptual framework for the Public Sector Accounting Handbook to ensure its continued relevance. In June 2022, PSAB approved the revised conceptual framework, which will replace the existing framework set out in PS 1000, Financial Statement Concepts, and PS 1100, Financial Statement Objectives. The revised conceptual framework is effective for fiscal years beginning on or after April 1, 2026. Management is in the process of assessing the impact of adoption of the revised conceptual framework on the financial statements of the Authority.

(ii) On October 2, 2023, PSAB issued PS 1202, Financial Statement Presentation ("PS 1202"), which will replace PS 1201, Financial Statement Presentation. PS 1202 will apply to fiscal years beginning on or after April 1, 2026, with early adoption permitted provided the revised conceptual framework (note 1(o)(i)) is adopted at the same time. The new standard introduces changes to financial statement presentation and terminology. Management is in the process of assessing the impact of adoption of PS 1202 on the financial statements of the Authority.

2. Cash and cash equivalents:

	2026	2025
Cash and cash equivalents	$ 430,867	$ 330,495
Less amounts restricted for:		
Capital purposes	(105,574)	(101,059)
P3 projects	(41,377)	(40,189)
Future operating purposes	(1,058)	(2,500)
Research and designated purposes	(2,195)	(2,356)
Patient comfort funds	(745)	(650)
Amounts internally restricted	(1,795)	(1,600)
Unrestricted cash and cash equivalents	$ 278,123	$ 182,141

3. Accounts receivable:

	2026	2025
Medical Services Plan	$ 93,654	$ 102,010
Other health authorities and BC government reporting entities	40,425	33,530
Ministry of Health	50,793	28,491
Patients, clients, and residents	30,273	27,209
Regional Hospital Districts	13,372	12,983
Foundations and auxiliaries	9,741	3,576
Federal government	4,734	5,045
WorkSafe BC	2,201	1,690
Other	11,209	14,546
	256,402	229,080
Allowance for doubtful accounts	(10,619)	(9,659)
	$ 245,783	$ 219,421

4. Accounts payable and accrued liabilities:

	2026	2025
Salaries and benefits payable	$ 280,727	$ 208,194
Trade accounts payable and accrued liabilities	284,849	246,979
Accrued vacation pay	128,715	124,345
	$ 694,291	$ 579,518

5. Deferred operating contributions:

Deferred operating contributions represent externally restricted operating funding received for specific purposes.

	2026	2025
Deferred operating contributions, beginning of year	$ 2,500	$ 2,326
Contributions received	655	586
Amounts recognized as revenue	(2,097)	(412)
Deferred operating contributions, end of year	$ 1,058	$ 2,500

6. Deferred research and designated contributions:

Deferred research and designated contributions represent unspent contributions received to fund research and other activities. Contributions are received from external sources for specific clinical research projects and specific educational purposes.

	2026	2025
Deferred research and designated contributions, beginning of year	$ 2,356	$ 2,821
Contributions received	869	663
Amounts recognized as revenue	(1,030)	(1,128)
Deferred research and designated contributions, end of year	$ 2,195	$ 2,356

7. Debt:

	2026	2025
Public-private partnerships (P3):		
Royal Jubilee Hospital (RJH) Patient Care Centre, 30 year contract to December 1, 2040 with ISL Health, payable in monthly payments of $1,229 including annual interest of 6.31%, payable in accordance with the project agreement terms.	$ 141,376	$ 147,012
Campbell River and Comox Valley Hospitals, 30 year contract to April 1, 2047 with Tandem Health Partners, payable in monthly payments of $1,526 including annual interest of 6.94%, payable in accordance with the project agreement terms.	202,601	206,706
	343,977	353,718

Required principal repayments on P3 debt over the years ending March 31 are disclosed with public-private partnerships and commitments in note 12(e).

8. Employee benefits:

(a) Retirement allowance:

Certain employees with ten or twenty years of service and having reached a certain age are entitled to receive special payments upon retirement or as specified by collective or employee agreements. These payments are based upon accumulated sick leave credits and entitlements for each year of service.

The Authority's liabilities are based on an actuarial valuation as at the measurement date of December 31, 2024 and extrapolated to March 31, 2026 from which the service cost and interest cost components of expense for the fiscal year ended March 31, 2026 are derived.

Information about retirement allowance benefits is as follows:

	2026	2025
Accrued benefit obligation:		
Severance benefits	$ 104,884	$ 99,990
Sick leave benefits	46,894	43,785
	151,778	143,775
Unamortized actuarial loss	(4,818)	(6,564)
Accrued benefit liability	$ 146,960	$ 137,211

The accrued benefit liability for retirement allowance benefits reported on the statement of financial position is as follows:

	2026	2025
Accrued benefit liability, beginning of year	$ 137,211	$ 128,698
Net benefit expense:		
Current service cost	11,900	11,262
Prior year service cost	2,056	170
Interest expense	5,339	5,127
Amortization of actuarial loss	387	362
Net benefit expense	19,682	16,921
Benefits paid	(9,933)	(8,408)
Accrued benefit liability, end of year	$ 146,960	$ 137,211

8. Employee benefits (continued):

(a) Retirement allowance (continued):

The significant actuarial assumptions adopted in measuring the Authority's accrued retirement benefit obligation are as follows:

	2026	2025
Accrued benefit obligation, as at March 31:		
Discount rate	3.73%	3.60%
Rate of compensation increase (% per annum)		
2025	3.00%	2.50%
2026-2028	3.00%	2.50%
Thereafter	2.50%	2.50%
Benefit costs for years ended March 31:		
Discount rate	3.60%	3.49%
Rate of compensation increase (% per annum)		
2024		3.00%
2025	2.50%	2.50%
Thereafter	2.50%	2.50%
Expected future inflationary increases (Consumer Price Index)	2.00%	2.00%

Individuals may be eligible for normal merit and promotional increases in addition to the rate of compensation increase.

(b) Healthcare Benefit Trust benefits:

The Healthcare Benefit Trust (the "Trust") administers long-term disability benefits and group life insurance, accidental death and dismemberment, extended health and dental claims ("health and welfare benefits") for certain employee groups of the Authority and other provincially-funded organizations.

The Authority and all other participating employers are jointly responsible for the liabilities of the Trust should any participating employers be unable to meet their obligation to contribute to the Trust.

(i) Long-term disability and health and welfare benefits:

The Trust is a multiple employer plan, with the Authority's assets and liabilities being segregated with regards to long-term disability benefits after September 30, 1997 and health and welfare benefits after December 31, 2014. Accordingly, the Authority's net trust (assets) liabilities are reflected in these financial statements.

The Authority's net asset as of March 31, 2026 is based on the actuarial valuation at December 31, 2025, extrapolated to March 31, 2026. The net asset as of March 31, 2025 is based on the actuarial valuation at December 31, 2024 and extrapolated to March 31, 2025.

8. Employee benefits (continued):

(b) Healthcare Benefit Trust benefits (continue):

(i) Long-term disability and health and welfare benefits (continue):

The long-term disability and health and welfare benefits (asset) liability reported on the statement of financial position is as follows:

	2026	2025
Fair value of plan assets	$ 341,627	$ 337,702
Accrued benefit obligation	215,740	202,226
Net asset	$ (125,887)	$ (135,476)

	2026	2025
Long-term disability and health and welfare benefits asset, beginning of year	$ (135,476)	$ (85,636)
Net benefit expense:		
Long term disability expense	37,903	34,470
Health and welfare benefit expense	47,007	41,446
Interest expense	11,565	11,682
Actuarial gain	(7,350)	(24,285)
Employee payments	933	898
Expected return on assets	(18,965)	(16,878)
Net benefit expense	71,093	47,333
Contributions to the plan	(60,686)	(96,379)
Transfer of health and welfare benefits net surplus	(818)	(794)
Total contributions	$ (61,504)	$ (97,173)
Long-term disability and health and welfare benefits asset, end of year	$ (125,887)	$ (135,476)
Benefits paid to claimants	$ (83,447)	$ (78,037)

Plan assets consist of:

	December 31, 2025	December 31, 2024
Debt securities	38.70%	37.00%
Foreign equities	35.80%	35.30%
Canadian equities and other	25.50%	27.70%
Total	100.00%	100.00%

8. Employee benefits (continued):

(b) Healthcare Benefit Trust benefits (continued):

(i) Long-term disability and health and welfare benefits (continued):

The significant actuarial assumptions adopted in measuring the Authority's accrued long-term disability and health and welfare benefits liabilities are as follows:

	2026	2025
Accrued benefit liability, as at March 31:		
Discount rate	5.60%	5.70%
Benefit indexing (% per annum)		
2025	2.25%	2.25%
2026	2.25%	2.25%
Thereafter	2.25%	2.25%
Benefit costs for years ended March 31:		
Discount rate	5.70%	5.80%
Rate of compensation increase benefit indexing (% per annum)		
2024		3.00%
2025	2.25%	2.25%
Thereafter	2.25%	2.25%
Expected future inflationary increases (Consumer Price Index)	2.00%	2.00%
Expected long-term rate of return on plan assets	5.60%	5.70%

Benefit indexing is applicable except where negotiated wage increases are known. Where negotiated wage increases are known, they apply.

Actual long-term rate of return on plan assets was 9.00% for the year ended December 31, 2025 (December 31, 2024 – 12.06%).

(ii) Joint benefit Trusts:

Effective April 1, 2017, management of the long-term disability and health and welfare benefits being provided to Health Science Professionals Bargaining Association, Community Bargaining Association, and Facilities Bargaining Association employees transitioned to joint benefit trusts. Employer contributions to the joint benefit trusts are based on a specified percentage of payroll costs. During the year ended March 31, 2026, the Authority made contributions to these joint benefit trusts totalling $90.6 million (2025 – $90.3 million).

(c) Employee pension benefits:

The Authority and its employees contribute to the Municipal Pension Plan and the Public Service Pension Plan, multi-employer defined benefit plans governed by the *BC Public Sector Pension Plans Act*.

8. Employee benefits (continued):

(c) Employee pension benefits (continued):

Employer contributions to the Municipal Pension Plan of $159.9 million (2025 – $151.0 million) were expensed during the year. Every three years an actuarial valuation is performed to assess the financial position of the plan and the adequacy of the plan funding. The most recent actuarial valuation for the plan at December 31, 2024, indicated a funding surplus of approximately $2,675 million. The actuary does not attribute portions of the unfunded liability/surplus to individual employers. The plan covers approximately 273,000 active members of which approximately 25,000 are employees of the Authority. The next expected valuation date will be as of December 31, 2027.

Employer contributions to the Public Service Plan of $0.7 million (2025 – $0.8 million) were expensed during the year. Every three years an actuarial valuation is performed to assess the financial position of the plan and the adequacy of the plan funding. The most recent actuarial valuation for the plan at March 31, 2023 indicated a surplus of approximately $4,491 million. The actuary does not attribute portions of the unfunded liability/surplus to individual employers. The plan covers approximately 80,000 active members, of which approximately 120 are employees of the Authority. The next actuarial valuation date will be as of March 31, 2026.

9. Asset retirement obligations:

The Authority owns and operates some buildings that are known to contain asbestos and other hazardous materials, which represents a health hazard when undergoing certain repairs and maintenance work and upon demolition of the building. Additionally, some sites owned by the Authority contain fuel tanks. As there is a legal obligation to remove hazardous materials, the Authority has recognized a liability relating to the removal and post-removal care of the asbestos and other hazardous materials in these buildings, and fuel tanks on these sites. Due to the longevity of many of the Authority's buildings outlasting the estimated useful lives for accounting purposes, many buildings that are fully amortized are still in productive use for the foreseeable future. Once an approved project plan is in place, the timing and amount of future cash flows can then be reasonably estimated and the corresponding liability for that asset is updated to reflect the anticipated costs for removal and post-removal care of hazardous materials. Estimates are based on the best information available at the time, actual results could differ from estimates. Post-closure care is estimated to extend for up to one year after the closure of the building, while demolition and construction continues. Such estimated costs have been discounted to the present value using a discount rate of 3.73% per annum (2025 – 3.60%) which is the Authority's cost of borrowing.

Changes to the asset retirement obligations in the year are as follows:

	Buildings (Asbestos and hazardous materials removal)	Fuel tanks	Total 2026
Asset retirement obligations, beginning of year	$ 47,619	$ 2,608	$ 50,227
Liabilities settled in year	(40)	-	(40)
Increase in asset retirement obligations	2,625	123	2,748
Accretion	1,307	98	1,405
Asset retirement obligations, end of year	$ 51,511	$ 2,829	$ 54,340

9. Asset retirement obligations (continued):

	Buildings (Asbestos and hazardous materials removal)	Fuel tanks	Total 2025
Asset retirement obligations, beginning of year	$ 44,270	$ 2,420	$ 46,690
Increase in asset retirement obligations	1,524	101	1,625
Accretion	1,825	87	1,912
Asset retirement obligations, end of year	$ 47,619	$ 2,608	$ 50,227

10. Deferred capital contributions:

Deferred capital contributions represent externally restricted contributions and other funding received for the purchase of tangible capital assets.

	2026	2025
Deferred capital contributions, beginning of year	$ 1,992,656	$ 1,681,291
Capital contributions received:		
Ministry of Health	374,529	277,517
Regional hospital districts	96,206	100,232
Foundations and auxiliaries	39,319	20,163
Other	(7,960)	4,153
	502,094	402,065
Amortization of deferred capital contributions	(101,574)	(90,700)
Deferred capital contributions, end of year	$ 2,393,176	$ 1,992,656

Deferred capital contributions are comprised of the following:

	2026	2025
Contributions used to purchase tangible capital assets	$ 2,287,602	$ 1,891,597
Unspent contributions	105,574	101,059
	$ 2,393,176	$ 1,992,656

11. Tangible capital assets:

Cost	2025	Additions	Disposals	Transfers	2026
Land	$ 23,597	$ 4,238	$ -	$ -	$ 27,835
Land improvements	26,948	-	(420)	107	26,635
Buildings	2,001,502	3,361	(29,367)	98,860	2,074,356

Buildings	975,615	53,680	-	1,029,295
Equipment	422,514	24,984	(14,513)	432,985
Information systems	231,853	17,360	-	249,213
Leasehold improvements	26,353	5,069	-	31,422
Total	$ 1,676,139	$ 102,211	$ (14,513)	$ 1,763,837

Net book value	2026	2025
Land	$ 27,835	$ 23,597
Land improvements	4,981	6,026
Buildings	1,016,729	972,207
Equipment	105,225	92,857
Information systems	103,177	47,581
Leasehold improvements	41,552	21,255
Construction in progress	1,205,590	889,752
Equipment and information systems in progress	118,671	181,754
Total	$ 2,623,760	$ 2,235,029

11. Tangible capital assets (continued):

Tangible capital assets are funded as follows:

	2026	2025
Deferred capital contributions	$ 2,287,602	$ 1,891,597
Debt	302,600	313,529
Internally funded	33,558	29,903
Tangible capital assets	$ 2,623,760	$ 2,235,029

12. Commitments and contingencies:

Unless otherwise noted, the amounts disclosed below represent the Authority's estimated future minimum contractual payments on an undiscounted basis.

(a) Construction, equipment, and information systems in progress:

As at March 31, 2026, the Authority had outstanding commitments for construction, equipment and information systems in progress of $515.0 million (2025 – $695.4 million). Included in this amount is $310.6 million relating to the Cowichan District Hospital build (2025 – $633.0 million).

(b) Contractual obligations:

The Authority has entered into various contracts for services within the normal course of operations. The estimated contractual obligations under these contracts (including physician services contracts) are as follows:

2027	$ 669,012
2028	393,660
2029	161,065
2030	111,545
2031	4,950
Thereafter	14,034
	$ 1,354,266

12. Commitments and contingencies (continued):

(c) Long-term care contracts:

The Authority has entered into contracts with 36 service providers to provide long-term care services. The aggregate annual commitments for these contracts are as follows:

2027	$	355,132
2028		253,253
2029		215,629
2030		170,094
2031		169,479
Thereafter		1,456,478
	$	2,620,065

(d) Operating leases:

The aggregate minimum future annual rentals under operating leases are as follows:

2027	$	56,543
2028		45,556
2029		36,142
2030		29,249
2031		22,287
Thereafter		116,349
	$	306,126

(e) Public-private partnerships and commitments:

The Authority has entered into multiple-year contracts to design, build, finance, and maintain the Royal Jubilee Hospital Patient Care Centre, the Campbell River Hospital and the Comox Valley Hospital. The information presented below shows the anticipated cash outflow for future obligations under these contracts for the capital cost and financing of the asset, the facility maintenance ("FM") and the lifecycle costs. The asset values are recorded as tangible capital assets and the corresponding liabilities are recorded as debt and disclosed in note 7. Facilities management and lifecycle payments to the private partner are contingent on specified performance criteria and include an estimation of inflation, where applicable.

		Capital and financing		FM and lifecycle		Total payments
2027	$	33,007	$	15,947	$	48,954
2028		33,003		14,280		47,283
2029		32,999		18,486		51,485
2030		32,995		18,146		51,141
2031		32,990		20,162		53,152
Thereafter		436,779		346,098		782,877
	$	601,773	$	433,119	$	1,034,892

12. Commitments and contingencies (continued):

(e) Public-private partnerships and commitments (continued):

Required principal repayments on this debt over the years ending March 31 are as follows:

2027	$	10,401
2028		11,106
2029		11,858
2030		12,662
2031		13,521
Thereafter		284,429
	$	343,977

(f) Litigation and claims:

Risk management and insurance services for all health authorities in BC are provided by the Risk Management and Government Security Branch of the Ministry of Finance.

The nature of the Authority's activities is such that there is litigation pending or in progress at any time. With respect to unsettled claims at March 31, 2026, management is of the opinion that the Authority has valid defenses and appropriate insurance coverage in place, or if there is unfunded risk, such claims are not expected to have material effect on the Authority's financial position. Outstanding contingencies are reviewed on an ongoing basis and are provided based on management's best estimate of the ultimate settlement.

(g) St. Joseph General Hospital ("SJGH") ongoing maintenance costs:

The Authority agreed to reimburse SJGH, now Providence Living Society, for ongoing maintenance of the vacant facilities as outlined in the 2017 Asset Transfer Agreement.

13. Statement of operations:

(a) Patients, clients and residents revenues:

	2026	2025
Long-term and extended care	$ 48,155	$ 44,064
Residents of BC self pay	20,548	18,253
Non-residents of Canada	19,218	20,289

Deferred research and designated contributions	(161)	(465)
Inventories held for use	(1,689)	(3,044)
Prepaid expenses	(17,045)	3,124
	$ 67,853	$ 139,508

15. Related parties and other agencies:

The following are types of related parties. Disclosure of values for related party transactions is required if the values are different from that which would have been arrived at if the parties were unrelated. No significant differences exist for such related party transactions.

(a) BC government reporting entities:

The Authority is related through common control to all Province of BC ministries, agencies, Crown corporations, school districts, health authorities, hospital societies, universities and colleges that are included in the provincial government reporting entity.

(b) Key management personnel:

The Authority has deemed the Board of Directors and Senior Executive Team, their close family members or entities controlled by them to be key management personnel based on the PS 2200, Related Party Disclosures definition.

(c) Foundations and auxiliaries:

Within the Authority area, there are 30 separate health care foundations and auxiliaries, which were established to raise funds for their respective hospitals and/or community health services organizations. The foundations and auxiliaries are separate legal entities incorporated under the Societies Act of British Columbia with separate governance structures. The foundations and some of the auxiliaries are registered charities under the provisions of the Income Tax Act of Canada. As the Authority does not control these organizations, the financial statements do not include the assets, liabilities and results of operations of these entities. During the year, the foundations granted $40.7 million (2025 – $22.0 million) to various facilities within the Authority.

16. Risk management:

The Authority is exposed to credit risk, liquidity risk and foreign exchange risk from its financial instruments. Qualitative and quantitative analysis of the significant risks from the Authority's financial instruments is provided below by type of risk.

16. Risk management (continued):

(a) Credit risk:

The Authority's exposure to and management of credit risk has not changed since March 31, 2025.

Credit risk primarily arises from the Authority's cash and cash equivalents, accounts receivable and portfolio investments. The risk exposure is limited to their varying amounts at the date of the statement of financial position.

The Authority manages credit risk by holding balances of cash and cash equivalents with reputable top rated financial institutions.

Accounts receivable primarily consist of amounts receivable from the Ministry, other health authorities and BC government reporting entities, patients, clients and agencies, hospital foundations and auxiliaries, grantors. To reduce the risk, the Authority periodically reviews the collectability of its accounts receivable and establishes an allowance based on its best estimate of potentially uncollectible amounts. As at March 31, 2026, the amount of allowance for doubtful accounts was $10.6 million (2025 – $9.7 million).

The Authority is not exposed to significant credit risk with respect to the amounts receivable from the Ministry, other health authorities and BC government reporting entities.

(b) Liquidity risk:

The Authority's exposure to and management of liquidity risk has not changed since March 31, 2025.

Liquidity risk is the risk that the Authority will not be able to meet its financial obligations as they become due. It is the Authority's intention to meet its financial obligations through the collection of current accounts receivable, cash on hand and future funding from the Ministry.

The Authority's principal source of funding is from the Ministry. The Authority is not subject to debt covenants or any other capital requirements with respect to operating funding. Funding received for designated purposes must be used for the purpose outlined in the funding letter or grant documentation. The Authority has complied with the external restrictions on the funding provided.

16. Risk management (continued):

(b) Liquidity risk (continued):

The tables below show when various financial instrument assets and liabilities mature.

2026 Assets	Up to 1 year	1 to 5 years	Over 5 years	Total
Cash and cash equivalents	$ 430,867	$ -	$ -	$ 430,867
Accounts receivable	208,646	34,046	3,091	245,783
Total assets	$ 639,513	$ 34,046	$ 3,091	$ 676,650

2026 Liabilities	Up to 1 year	1 to 5 years	Over 5 years	Total
Accounts payable and accrued liabilities	$ 683,623	$ 10,552	$ 116	$ 694,291
Debt	10,401	49,147	284,429	343,977
Total liabilities	$ 694,024	$ 59,699	$ 284,546	$ 1,038,269

2025 Assets	Up to 1 year	1 to 5 years	Over 5 years	Total
Cash and cash equivalents	$ 330,495	$ -	$ -	$ 330,495
Accounts receivable	171,347	44,640	3,434	219,421
Total assets	$ 501,842	$ 44,640	$ 3,434	$ 549,916

2025 Liabilities	Up to 1 year	1 to 5 years	Over 5 years	Total
Accounts payable and accrued liabilities	$ 571,810	$ 7,589	$ 119	$ 579,518
Debt	9,741	46,027	297,950	353,718
Total liabilities	$ 581,551	$ 53,616	$ 298,069	$ 933,236

Debt pertaining to P3 projects is funded through the ongoing annual operating grants received from the Ministry.

16. Risk management (continued):

(c) Foreign exchange risk:

The Authority's exposure to and management of foreign exchange risk has not changed since March 31, 2025.

The Authority's operating results and financial position are reported in Canadian dollars. As the Authority operates in an international environment, some of the Authority's financial instruments and transactions are denominated in currencies other than Canadian dollars. The results of the Authority's operations are subject to currency transaction and translation risks.

The Authority makes payments denominated in US dollars, and other currencies. Currencies most contributing to the foreign exchange risk are US dollars.

Comparative foreign exchange rates as at March 31 are as follows:

	2026	2025
US dollar per Canadian dollar	$ 0.717	$ 0.696

The Authority has not entered into any agreements or purchased any foreign currency hedging arrangements to hedge possible currency risks, as management has assessed that the foreign exchange risk derived from currency conversions is not significant. The foreign currency financial instruments are short-term in nature and do not give rise to significant foreign currency risk.

17. Subsequent Event:

Subsequent to March 31, 2026, the Province of British Columbia announced further health system administrative restructuring through the creation of BC Shared Health Services, a provincial shared services organization intended to consolidate certain non-clinical support functions currently delivered across health authorities. Public communications indicate the anticipated scope includes legal, supply chain, finance, human resources, data and analytics, health system planning, digital communications, and information management/information technology functions.

The Authority is continuing to assess the implications of this transition, including scope, implementation timing, governance, and any associated financial impacts. At this time, the financial effect cannot be reasonably estimated.

Vancouver Island Health Authority

SCHEDULE D
SCHEDULE OF DEBTS

March 31, 2026

Schedule of Debts

FOR THE FISCAL YEAR ENDED March 31, 2026

	2026	2025

Total: Elected officials, employees appointed by Cabinet and members of the Board of Directors		$ 265,549	$ 24,478

Vancouver Island Health Authority

Schedule Showing Remuneration and Expenses Paid to or on Behalf of Each Employee

For the Fiscal Year Ended March 31, 2026

(Unaudited)

Remuneration for all employees includes salaries, wages, retroactive pay, vacation payouts, taxable benefits and retiring allowances paid in accordance with union and non-contract agreements. Remuneration does not include amounts paid under severance agreements.

Expenses include but are not limited to travel and accommodation, professional development, employee relocation costs, conferences, and membership dues for professional associations.

The Vancouver Island Health Authority had approximately 36,000 employees in the fiscal year of which there were 12,366 employees who earned in excess of $75,000.

Of these 12,366 individuals:
6,210 are nurses (mainly members of the British Columbia Nurses' Union)
2,470 are paramedical (mainly members of the Health Sciences Association of British Columbia)
2,029 are non-contract staff and physicians (excluded from union membership)
1,657 are members of other bargaining units

SCHEDULE H
STATEMENT OF SEVERANCE AGREEMENTS

March 31, 2026
(Unaudited)

Statement of Severance Agreements

For the Fiscal Year Ended March 31, 2026
(Unaudited)

There were 214 severance agreements made between Vancouver Island Health Authority and its non-unionized employees during the fiscal year 2025/26.

These agreements represent from .68 months to 18 months compensation*.

*”Compensation” means the value based on salaries and benefits.
