

**CHILD CARE INSPECTION CHECKLIST
INITIAL INSPECTION**

Inspection Complete

Child Care Inspection Checklist: Initial Inspection (based on CCLR 332/2007)

This inspection checklist form is intended to assist Licensing Officers during their inspections and is not part of the formal inspection report. Applicants could also use this worksheet as a “basic” self-inspection tool.

CCALA - Community Care & Assisted Living Act | CCLR – Child Care Licensing Regulation | DOLSOP - Director of Licensing Standards of Practice | FCC - Family Child Care PRE – Preschool | OCC – Occasional Child Care | CM – Child Minding | IHMACC - In-Home Multi-Age Child Care | MACC - Multi-Age Child Care GCC - Group Child Care | SACSG – School Age Care on School Grounds | REC – Recreational Care
N/A - Not Applicable | NAS - Not Assessed

Obtain GPS Coordinates at the time of Initial Inspection

Measuring the latitude, longitude and accuracy of GPS coordinates at the entry point of the facility

Latitude	Longitude
Accuracy: +/-	metres

Facility Name		Inspection Report #	Date (DD/MM/YYYY)				
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
PHYSICAL FACILITY							
3000	A healthy & safe environment is provided at all times (e.g., safe food practices are in place (storage, prep. and serving), diapering surfaces sanitized after each use; soiled diapers are stored, cleaned or disposed of appropriately, fire extinguishers and smoke detectors are maintained, etc.	13(1)					<i>*CCFL has the authority to inspect any areas of premise - should match site plans</i>
3000	Facility & the furniture, equipment & fixtures within it are clean & in good repair (e.g., reasonable level of cleanliness at all times, toys/equipment/furnishings sanitized regularly, etc.)	13(2)					
3000	No one engages in restricted consumption while children are under the supervision of employees, a child who consumes medical cannabis is supervised by an employee, and no one grows or stores cannabis, except medical cannabis., and	13(3)(a) 13(3)(b) 13(3)(c)					<i>*Includes entire premise</i>
3000	Physical structure of facility is modified to meet the needs of child who requires extra support	13(4)					
3000	For each child, at least 3.7 m2 of usable floor area provided (Usable space excludes hallways, storage areas, fixed appliances & bathrooms) (except FCC/CM/SACSG/REC Only)	14(1)					
3000	REC Only - In areas of the community care facility used for children’s activity, the useable floor area, excluding the areas referred to in CCLR 14(1)(a) to (d), is sufficient to ensure the health and safety of children participating in the activity.	14.1 (2)					
3000	REC Only – Sufficient urinals, toilets and wash basins to meet the needs of children in care	14.1 (3)					
3000	One toilet & one washbasin for every 10 children or fewer (except SACSC/REC)	14(2)					
3000	Toilets & washbasins are located on same floor as facility (except for FCC/IHMACC/SACSG/REC Only)	14(3)					

Facility Name		Inspection Report #	Date (DD/MM/YYYY)				
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
3060	Sturdy surface for changing diapers provided, located outside food preparation area next to both: a covered container for soiled clothing a washbasin (except PRE/GCC School Age/SACSG/REC Only)	14(4)(a) 14(4)(b)					
3030	SACSG Only – If care is provided in a building that is not equipped with toilets and wash basins, the licensee must ensure that children’s access to a bathroom is supervised in a manner that is appropriate for the age and development of the children	14(5)					
3000	Equipment, furniture and supplies are of sturdy & safe construction, easy to clean & free from hazards (except SACSG when also a Board of Education Only)	15(1)(a)					
3000	Furniture/equipment used for sleeping is used by only one child at a time	15(2)(a)					
3000	Furniture/equipment used for sleeping is clean & comfortable	15(2)(b)					
3000	Furniture/equipment used for sleeping appropriate for size, age & development	15(2)(c)					
3000	Children younger than 36 months provided with separate sleep area	15(3)					
3000	Indoor play materials are suitable for the age and development of the children and are safely constructed, free from hazards and in good repair (except SACSG when also a Board of Education Only) (e.g. Adequate and appropriate play equipment, play materials, furniture and supplies for the number of children in care. Aware of & follows manufacturer’s instructions for equipment & furnishings: playpens, car seats, etc)	16(4) (a)(b)					
3000	SACSG when not Board of Education Only Ensure any play materials or equipment provided by the licensee is appropriate for the age and development of children in care.	16(5)					
3000	Children do not have access to any object/substance that may be hazardous to their health & safety (e.g. hazardous products/objects, fireplaces, appliances, half-walls, entrapment hazards, window openings, unstable shelving units, storage of heavy objects, animal excrement, compost, garbage, firearms, etc.)	17					
3060	Any surface used for food preparation/storage/consumption is not used for changing diapers	46(2)					
3000	Any heated water accessible to children is heated to no more than 49 degrees Celsius (except SACSG Only)	47					
3000	Equipment, furniture & supplies do not block/hamper fire/emergency Exit (except SACSG when not Board of Education Only)	15(1)(b)					
3000	Emergency exits meet building code Approved fire drill system in place	22(1)(a)(i) 22(1)(a)(ii)					

Facility Name		Inspection Report #	Date (DD/MM/YYYY)				
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
3000	Employees have access in an emergency to reliable communication equipment	22(4)					
3000	First aid kits are readily accessible to all employees at all times including off-site	23(2)					
3020	Copy of fire drill system displayed in a prominent place (i.e. diagram & procedures)	22(3)					
3080	Certificates of any educator/assistant employed displayed in a prominent place	11(4)					
NUTRITION AND FOOD SERVICE							
3050	Safe drinking water is available to children	48(5)					
FCC/IHMACC							
3030	FCC/IHMACC: Licensee must not conduct any business/other activity within or from the personal residence that may: Interfere with the supervision of children or space used; threaten the health and safety of children	35(2)(a) 35(2)(b)					
3000	FCC – Home-like environment provided includes at a minimum a living room, kitchen, bedroom & bathroom	FCC DOLSOP home like environment					
3000	FCC – Size of area designated for care should, at a minimum, meet 3.7 m ² /child indoors & 6 m ² /child outdoors	FCC DOLSOP size of area					
3000	FCC – Adequate equipment to safely meet varying developmental needs of children in care	FCC DOLSOP equipment dev needs					
POLICIES AND PROCEDURES							
3060	Written plan/procedures for Communicable Disease Prevention	CCALA 7(1)(b)(i)					
3020	Licensee has emergency exits & fire drill system approved by local assistant within meaning of <i>Fire Services Act</i>	22(1)(a)					
3020	Licensee has emergency plan that sets out procedures to prepare for, mitigate, respond to & recover from any emergency	22(1)(b)					
3030	Licensee must ensure that behavioural guidance is appropriate to age & development of child receiving guidance	51(1)(a)					
3030	Written statement of Licensee’s behavioural guidance policy must be provided to parents & employees	51(1)(b)					
3020	Written policies/procedures for safe release of children kept current	56(1)(a)					
3020	REC Only – licensee has written policies and procedures respecting how children and youth will be prevented from sharing a bathroom unsupervised	56(1)(a.1)					
3020	If a person prepays part of cost of services provided, Licensee must at time of prepayment, deliver to that person a written statement setting out terms & conditions on which a refund will be made	19 CCALA					

Facility Name		Inspection Report #	Date (DD/MM/YYYY)				
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
3020	Written policies/procedures intended to guide employees in care & supervision of children kept current (e.g., sick child, incident reporting, supervision, medication administration, emergency procedures, etc.)	56(1)(d)					
3020	CM Only – written policies/procedures intended to guide employees in monitoring the premises where child-minding service operates to ensure that a parent of each child is present/accessible Responding if a parent is found not to be present/accessible	56(1)(d.1)					
3020	Written policies/procedures re: food & drink to be given to children is kept current	56(1)(e)					
3020	Licensee has developed an Active Play Policy	DOLSOP Active Play Policy Dev.					
3020	Licensee has developed a Screen Use Policy which has been shared with parents	DOLSOP Screen Use Policy Dev.					
STAFFING (includes all employees including the manager, all students, volunteers and substitutes)							
3010	CRC obtained for employees; Under CRRA for employees who are not volunteers Under either CRRA or RCMP/local police department for employees who are volunteers (Reminder: CRCs must be renewed every 5 years)	19(1)(a)					
3010	Character references obtained for employees	19(1)(b)					
3010	Record of work history obtained for employees	19(1)(c)					
3010	Copies of diplomas/certificates/evidence of training/skills obtained for employees	19(1)(d)					
3010	Evidence of compliance with Province’s immunization & TB control programs obtained for employees	19(1)(f)					
3010	Children have, at all times, immediate access to an employee who holds a valid first aid & CPR certificate that meets requirements of Schedule C.	23(1)(a)					
3010	For each employee, records required under Section 19(1) are kept current	56(1)(b)					
3010	Educator or assistant holds valid certificate, Licensee has verified certification	19(4)(a)					
3010	Responsible adult has valid qualifications	19(4)(b)					
3010	Responsible adult must be at least 19 years of age	29(a)					
3010	Responsible adult must have completed a course /combination of courses of at least 20 hours duration in child development, guidance, health & safety, or nutrition	29(c)					
3010	Responsible adult must have relevant work experience	29(d)					
OUTDOOR AREA Note: DOLSOP Safe Play Space only applies to outdoor equipment							

Facility Name		Inspection Report #	Date (DD/MM/YYYY)				
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
3000 1100	Equipment/furniture/supplies of sturdy/safe constructions/easy to clean/free from hazards (except SACSG when Licensee is the School Board Only)	15(1)(a)					
3000	Licensee must have for each child at least 6m ² of outdoor play area for each child (except OCC/ CM, FCC, SACSG/REC Only)	16(1)(a)					
3000	If the licence provides more than one type of care program. An outdoor play area that meets the requirement set out in paragraph (a) for the type of care program, provided by the licensee, with the largest maximum (except REC Only)	16(1)(b)					
3000	FCC Only – Licensee must provide indoor & outdoor play area	16(2)(b)					
3000	Entire outdoor play area enclosed in a manner suitable for age & development of children/ensures children are free from harm (except SACSG/REC Only)	16(3)(a)					
3000	Entire outdoor play area constructed in a manner/using materials suitable for age & development of children intended to use it (except SSACSG/REC Only)	16(3)(b)					
3000	All outdoor play materials/equipment accessible to children are suitable for their age & development (e.g., adequate & appropriate play equipment, play materials, furniture & supplies for the number of children in care) (except SACSG when licensee is the Board of Education Only)	16(4)(a)					
3000 1230	All outdoor play materials/equipment accessible to children are safely constructed/free from hazards/in good repair (e.g. Licensee aware of & following manufacturer’s instructions for equipment & furnishings i.e., playpens, car seats, etc.) (If entanglement detected use entanglement test device, cite as N/C to 16(4)(b), cite violation codes 3000 & 1230 & note “entanglement” in observations.) (except SACSG when licensee is the Board of Education Only)	16(4)(b)					
3000	SACSG when licensee is not Board of Education Only Ensure any play materials or equipment provided by the licensee is appropriate for the age and development of children in care.	16(5)					
3000	Children do not have access to any object/substance that may be hazardous (e.g. hazardous products/objects/conditions, poisonous plants, animal excrement, garbage, compost, tools, doors leading to hazardous areas are latched/locked, designated outdoor play areas being used by other programs (i.e., school, sports, teams), half- walls, deck railings, peeling paint, rust, equipment/furniture/fixtures with sharp or loose parts, cracks, splinters, sharp edges, etc.)	17					

INDOOR AND OUTDOOR PLAYGROUND EQUIPMENT (EXCEPT School Age Care on School Grounds/Recreational Care Only)
 Playground equipment may include indoor or outdoor slides, balance beams, climbers, upper body equipment, seesaws, merry-go-rounds, etc. Items that are not playground equipment may include: playhouses, picnic tables or other furnishings, indoor or outdoor toys, sandboxes, ride'em toys, etc.

**CHILD CARE INSPECTION CHECKLIST
INITIAL INSPECTION**

Facility Name		Inspection Report #			Date (DD/MM/YYYY)		
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
<input type="checkbox"/> NO	Indoor Playground Equipment (<i>DOLSOP – Safe Play Space to be used only as Guidelines for indoor playground equipment, therefore, if there is a hazard observed use another section of the CCLR or CCALA</i>)	1910					
<input type="checkbox"/> NO	Outdoor Playground Equipment	1920					
Equipment Inspected		Fall Height		Equipment Inspected		Fall Height	
3000 1600	Landscape is an important component. Considerations should include features, pathways, different types of surfaces, shaded areas, & trees	SPS DOLSOP landscape					
3000 1600	Equipment is placed to reduce direct exposure to sun	SPS DOLSOP sun exposure					
3000 1210	For prevention of entrapment, spaces (i.e., holes/openings) must be smaller than 9 cm (3.5 inches) or larger than 23 cm (9 inches) Use Head & Torso test probes	16(4)(b) SPS DOLSOP entrapment					
3000 1700	Structures that incorporate stairs, landings, ladders, tunnels, bridges, etc., have appropriate/secure safety barriers, guardrails & railings	16(4)(a) (b) SPS DOLSOP guardrails					
3090 1710	Play spaces should offer activities to encourage the development of perception & physical skills. Play spaces for older children should be away from areas for younger children (where possible)	SPS DOLSOP Developmental playspaces					
3000 1600	Rooftop Play Spaces Only considerations/precautions: sound levels, wind/sun exposure, building hazards (e.g. rooftop ventilation systems), surrounding factors: car exhaust, environmental pollution (factories), emergency evacuation plans, etc.	SPS DOLSOP rooftop					
Materials and Equipment							
3010 1800	Staff educated re: the correct use of equipment/ Manufacturers' Instructions followed to ensure appropriate installation/safe use of equipment	SPS DOLSOP Manufacturer instructions					
3000 1710	Equipment grouped by age (where possible), enabling school-age and preschool children to have separate outdoor play spaces	SPS DOLSOP equipment age group					

Facility Name		Inspection Report #	Date (DD/MM/YYYY)				
The following items must be in compliance before a licence may be issued							
Code	Item	CCLR	Complies				Observations
			Yes	No	N/A	NAS	
3000 1100 1230	Licensee checks for: Appropriate depths & preservation of protective surfacing. Pinch, entanglement (use entanglement test device), entrapment & fall hazards. Damaged/missing supports/anchors/footings. Loose/missing nuts/bolts/other fasteners/connectors	16(4)(b) SPS DOLSOP entanglement					
3000 1710	Height of equipment – Highest play surface as reported by Licensee or observed by LO: <ul style="list-style-type: none"> • for toddlers (12 to 36 months) no more than 0.9 metres (3 feet); • for preschool children (30 months to school age, no more than 1.5 metres (5ft); • for school-age children (attending school) no more than 2.3 metres (7 feet) 	SPS DOLSOP equip height					
3000 1710	Use of pools/trampolines/other non-typical equipment has careful and detailed consideration on a case-by-case basis (Considerations include: whether equipment meets needs of children; what additional types of risk are involved; what necessary steps will be needed to ensure adequate active supervision; & how will staff ensure the equipment is used & maintained properly)	SPS DOLSOP pools etc					
Ground Surfacing							
3000 1000	Equipment must not be installed over concrete, asphalt or other hard surfaces (may include dry grass)	SPS DOLSOP hard surfaces					
3000 1000	Protective surfacing such as soft sand, wood chips, pea gravel or rubber material will reduce the risk of injury from falls	SPS DOLSOP soft surfaces					
3000 1000	Licensee should choose protective surfacing that best fits with the weather conditions and materials available	SPS DOLSOP weather conditions					
3000 1000	The taller the equipment, the deeper the protective surfacing should be	SPS DOLSOP deep protective surface					
3000 1400	A 1.8 metre (6 feet) clearance around equipment is considered safest	SPS DOLSOP clearance					
3000 1000	Depth guidelines for loose fill material (if protective surfacing used) <ul style="list-style-type: none"> • minimum 15 cm (6”) for 1.5 metre (5’) equipment height • minimum 30 cm (12”) for 2.3 metre (7’) equipment height (Consider surfacing table, Triax, etc.) 	SPS DOLSOP depth					
3000 1100	Playground surface must be free of standing water & debris (such as poorly placed rocks/tree stumps/tree roots)	SPS DOLSOP standing water					

Facility Name		Inspection Report #	Date (DD/MM/YYYY)		
The following items are for discussion purposes only at the Initial Inspection					
Code	Item	CCLR	Discussed at time of inspection		Notes
			Yes	No	
All codes	Licensee must operate the community care facility in a manner that will promote the health, safety & dignity of persons in care	CCALA 7(1)(b)(i)			
3080	Licensee must display licence in the prescribed manner	CCALA 7(1)(c)			
3080	Applicants and licensees notify MHO immediately of any change in information under Section 9 & Schedule B (including Licensee must provide daily outdoor play in accordance with documents submitted with application, e.g., on-site, off-site, or activity plan)	10(1)			
3080	Licensee must not make any structural change unless: <ul style="list-style-type: none"> •Plans submitted to MHO and •Written approval from MHO received (except SAGSG Only)	10(2)(a) 10(2)(b)			
3080	REC Only – If a structural change is planned to an area of a community care facility where the care program is provided, the licensee must notify MHO as soon as is practicable.	10(3)(b)			
3080	Licensee must display licence, including any terms & conditions & name of manager in a prominent place (except FCC and IHMACC Only unless required by MHO)	11(1) 11(2)			
3080	During inspection/investigation, a person must not obstruct MHO	12(1)(a)			
3080	During an inspection/investigation, a person must not withhold /conceal/destroy any records/information	12(1)(b)			
3080	Licensee must provide a plan to ensure health & safety if requested by MHO during investigation	12(2)			
RECORDS & REPORTING					
3070	MHO notified within 24 hours if child has been involved in/may have been involved in a reportable incident described in Schedule H	55(2)(a)			
3070	MHO notified within 24 hours if child enrolled has a reportable communicable disease as listed in Schedule A/B of Health Act Communicable Disease Regulation	55(2)(b)			
3070	Log of minor accidents/illnesses/unexpected events involving children that did not require medical attention & were not reportable incidents kept current	56(1)(f)			
3070	A licensee must keep a copy of the written statement, referred to in Section 19 of the Act, that the licensee delivers to persons who prepay part of the cost of services	56.1(2)(a)			
3070	A licensee must keep a current record of each person to whom the written statement is delivered in accordance with that section	56.1(2)(b)			

**CHILD CARE INSPECTION CHECKLIST
INITIAL INSPECTION**

Facility Name		Inspection Report #	Date (DD/MM/YYYY)		
The following items are for discussion purposes only at the Initial Inspection					
Code	Item	CCLR	Discussed at time of inspection		Notes
			Yes	No	
3070	Licensee must ensure that policies and procedures are implemented by employees.	56(2)			
3070	Current records must be kept for each child in care showing daily attendance record indicating for each day whether child is absent, or if present, time of arrival & departure	57(2)(c)			<i>Includes Licensee's own children</i>
3070	Current records for each child showing all information set out in subsection (2), (Licensee does not have registration form for child in care)	57(1)(a)			<i>Includes Licensee's own children</i>
3070	Current records must be kept for each child in care showing: <ul style="list-style-type: none"> • Name, sex, date of birth, medical insurance plan number (MSP Number does not apply to REC Only), & immunization status • Date of enrollment • Name & telephone number of parent/medical practitioner (Doctors name and number does not apply to REC Only)/emergency contact • Any illness/allergy/medical disability disclosed by the child/parent /medical practitioner • Any special instruction re: child's diet/medication/ participation in program of activities/other matter related to child's care <ul style="list-style-type: none"> ○ Given in writing by the parent ○ Agreed to by Licensee • Photo/digital image of child/other information that can be used to readily identify child in an emergency • A record of any person not permitted access to child • Date on which child stops attending 	57(2)(a) 57(2)(b) 57(2)(d) 57(2)(e) 57(2)(h)(i) 57(2)(h)(ii) 57(2)(i) 57(2)(j) 57(2)(k)			<i>Includes Licensee's own children</i>
3070	CM Only – must <ul style="list-style-type: none"> • Record that a child does not have a medical insurance plan number or medical practitioner • If a child's immunization status is not known/available, keep a record detailing as much information as is known re: immunization status • Update the child's record as soon as practicable with medical insurance plan number, immunization status, medical practitioner, phone number for parent & name & phone number for emergency contact 	57(2.1)(a) 57(2.1)(b) 57(2.1)(c)			

Facility Name		Inspection Report #	Date (DD/MM/YYYY)		
The following items are for discussion purposes only at the Initial Inspection					
Code	Item	CCLR	Discussed at time of inspection		Notes
			Yes	No	
3070	CM Only – must have written agreements with a parent of each child that the parent: <ul style="list-style-type: none"> Is engaged in a program that under contract to government, provides services to immigrants in respect to ESL/settlement/labour market integration on the same premises as child-minding service Will be present on the premises while child in care Will be immediately accessible at all times to attend to child’s needs Will accompany child to activities located off premises of facility 	57(2.2)(a) 57(2.2)(b) 57(2.2)(c) 57(2.2)(d)			
3070	CM Only – Licensee must maintain at the facility the records referred to in subsections (2) to (2.2)	57(2.3)			
3070	Subject to subsections 60(2-5), all records referred to in Division 4 must be kept for at least one year (Daily attendance, log book, etc.)	60(1)			
3070	Current written consent from parent maintained: <ul style="list-style-type: none"> To call a medical practitioner (except REC Only)/ambulance in case of accident/illness if parent cannot immediately be reached To release a child to someone other than parent 	57(3)(a) 57(3)(b)			
3070	Current records must be kept for each child in care showing any medication administered to child including amount & time was administered	57(2)(f)			
3070	Records referred to in Section 57 (attendance & registration records) are kept for at least two years from the date the child is discharged from facility	60(5)			
3070	Keep in a single place at facility records referred to in Sections 56 - 58 (care plans, children’s records, facility records, staff records, policies, log of minor accidents/illnesses/unexpected events)	59(a)			
3070	Keep records other than those referred to in Sections 56-58, in a place from which they can be retrieved within a reasonable time, on request	59(b)			
3070	Produce records on demand to MHO	59(c)			
STAFFING (includes all employees including the manager, all students, volunteers and substitutes)					
3010	Licensee must employ only persons of good character who meet the standards for employees specified in the regulations	CCALA 7(1)(a)			
3010	Licensee must appoint a manager for the facility	CCALA 7(1)(d)			
3010	Manager manages only one facility	18			

Facility Name		Inspection Report #	Date (DD/MM/YYYY)		
The following items are for discussion purposes only at the Initial Inspection					
Code	Item	CCLR	Discussed at time of inspection		Notes
			Yes	No	
3010	Records required under Section 19(1) must be kept for each employee for the entire time they remain an employee	60(3)(a)			
3010	All criminal record check results & character references must be kept for those ordinarily present for the entire time they remain ordinarily present	60(3)(b)			
3010	Licensee has evidence that persons employed continue to comply with Province’s immunization & TB control programs	21(1)			
3010	Employee/manager is of good character	19(2)(a)			
3010	Employee/manager has personality, ability & temperament to manager/work with children	19(2)(b)			
3010	Employee/manager has training & experience & demonstrates skills necessary to carry out duties assigned	19(2)(c)			
3010	Responsible adult must be able to provide care & mature guidance to children	29(b)			
3010	Persons over the age of 12 are not permitted to be ordinarily present while children are present, unless the person is of good character & a CRC has been obtained (as per CRRA – CRCs must be renewed every 5 years)	20(1)			
3010	A person is not “ordinarily present” at a Community Care facility if the person is only picking up or dropping off a child	20(2)(a)			
3010	A person is not “ordinarily present” at a Community Care facility if the person is the child’s parent, or a person designated in writing by the child’s parent as a person who may pick up or drop off the child	20(2)(b)			
3010	All signed original forms authorizing criminal record checks must be retained for at least five years	60(2)			
3030	Licensee must ensure children are divided into groups, with each group having no more children than that permitted in Schedule E (except FCC/IHMACC/REC Only)	34(2)(a)			
3030	Licensee must ensure ratio of employees to children is no less than that permitted in Schedule E	34(2)(b)			
3030	REC Only – licensee must ensure ratio of employees to children attending the community care facility is as follows: If any preschool child or child in grade 1 is present, there must be for every 12 children present at least one supervising responsible adult.	34(3.1)(b)(i)			

Facility Name		Inspection Report #	Date (DD/MM/YYYY)		
The following items are for discussion purposes only at the Initial Inspection					
Code	Item	CCLR	Discussed at time of inspection		Notes
			Yes	No	
3030	REC Only – licensee must ensure ratio of employees to children attending the community care facility is as follows: If no preschool child or child in grade 1 is present, there must be for every 15 children present at least one supervising responsible adult.	34(3.1)(b)(ii)			
3010	Licensee may permit children to be grouped together and supervised other than as required under Schedule E during the half hour before care begins & the half hour after care ends if: <ul style="list-style-type: none"> Care program is MACC, GCC (under 36 mos.), GCC (30 mos. To (SA) or GCC (SA), A total of 8 or fewer children are present, of whom no more than 3 are younger than 36 mos., and There is at least 1 educator or assistant supervising 	34(4)(a) 34(4)(b) 34(4)(c)			
3010	Licensee must replace absent employee	37(2)			
3010	Licensee must replace an absent employee described in Column 1 of the table in this section for fewer than 30 consecutive days with a person described in Column 3 opposite that employee & row in Column 2 labeled as “<30 days”	37(3)(a)			
3010	Licensee must replace an absent employee described in Column 1 of the table in this section for 30 consecutive days or more with a person described in Column 3 opposite that employee & the row in Column 2 labeled as “>30 days”	37(3)(b)
