About Us

Island Health is one of five regional health authorities in British Columbia and provides health care and support services to over 750,000 residents on Vancouver Island, the surrounding islands and the mainland communities north of Powell River. With more than 22,500 employees, 1,900 physician partners and 6,500 volunteers, Island Health is the largest employer on Vancouver Island. At Island Health, we believe that our values guide our actions and relationships, shaping how we make decisions and plan for the future.

Excellent health and care for everyone, everywhere, every time

Employer Paid Benefits

WE OFFER an exceptional benefits package, including employer paid premiums for medical, dental, extended health and life insurance, plus four weeks annual vacation after your first year of employment.

BC Medical Services Plan

- Provides payment for medically required services from family practitioners, specialists, supplementary health care practitioners, laboratory & diagnostic service providers.
- Out of province applicants must live in BC for 3 months before they become eligible for coverage under the BC Medical Services Plan.

Extended Health Care

- Includes out of country coverage.
- Pays for specialized services and supplies not provided under the provincial medical services plan such as prescription drugs, paramedical services, vision care and hospital accommodation differential costs. Some maximums apply.

Dental Coverage

- Provides for reimbursement of a percentage of the costs of basic, restorative and orthodontic services, subject to some maximums and wait times.

Life Insurance

- A lump sum death benefit that is doubled if death is the result of an accident.
- A lump sum payment on loss of sight or a limb.

Short &/or Long Term Disability

- Short-term sick leave benefits are provided if unable to work due to non-occupational injury or illness.
- Long-term Disability provides continuing income in the event of total disability.

Pension Plan

- Pension benefits are provided through employer and employee contributions to the Municipal Pension Plan.

Paid Time Off

- Paid vacation as per the Healthcare Collective Agreements or Non-Contract Terms & Conditions of Employment.
- Vacation starts at 18 to 20 days per year with additional time accrued based on years of service.
- 12 paid statutory holidays per year.

Employee & Family Assistance Plan

- Access to free confidential counseling services to deal with a wide range of concerns, both personal & work related for all employees & their families.

Other Benefits

- Maternity, Paternity and Adoption Leave in accordance with the Collective Agreement. A supplemental employment benefit/wage top-up (SEB) may be payable to eligible employees.
- Paid time off may be available in the event of a family crisis.
- Unpaid Compassionate Care Leave may be available to care for a terminally ill family member. (In accordance with the Employment Standards Act).

Benefits for Casual Employees

Limited health benefits may be available, on completion of the eligibility requirement of their Health Sector Collective Agreement. Casual employees under the Nurses and Paramedical Collective Agreements who purchase certain health benefits once eligible, and who work a minimum of 975 hours between October 1 and the following September 30, will receive a refund of the premiums paid for those benefits, to a maximum of 12 month's premium. Casual employees also receive a premium in lieu of vacation & statutory holidays.
