

# CPR CERTIFICATION

All RNs, RPNs, LPNs, CYCs, RCAs/CCAs and Orderlies, **MUST** have current CPR Basic Rescuer - Professional Level "C" Certificate to be eligible for employment with the Vancouver Island Health Authority.

If you do not have current certification, **PLEASE MAKE ARRANGEMENTS TO OBTAIN IT AS SOON AS POSSIBLE.** When you have received your certification, advise Human Resources-Employment Services (and your manager, if applicable) immediately and provide a copy for your personnel file.

If you have successfully completed the CPR Basic Rescuer - Professional Level "C" course, please indicate the certificate date below, and be prepared to present your certificate upon employment.
