

Victoria General Hospital

Victoria General started as St. Joseph's

Hospital in 1876. The name was

changed when the Sisters of St. Ann

gave it to the province in 1972.

The new General opened in 1983 on

Hospital Way off Helmcken.

A 368-bed community-based acute-

care facility, it provides general adult &

pediatric surgery including orthopedics,

endoscopy, maternity & neo-natal ser-

vices, sexual assault nurse examiner,

as well as mammography, asthma, dia-

betes, & respiratory clinics, cancer care,

icu, rehabilitation, and much more.

FUNdraising

The Auxiliary puts the fun in fundraising & puts medical equipment into the hospital.

Time to join

It gives us a lift to buy thousands of dollars' worth of medical technology for our hospital.

Get pleasure in giving your time and energy.

Get satisfaction, fun, and friendship as part of our happy gang.

Everyone's welcome

Women and men, young and old, working and retired — everyone has a place with us, especially if you are interested in retail or handiwork or administration.

The Aim

The aim of the Auxiliary is to raise funds for needed equipment for the general comfort and well-being of patients here.

In our first two decades, we've given Victoria General almost two million dollars' in needed and valued equipment.

How we do it

Our high-volume shop is staffed and run completely by volunteers — but those volunteers are dedicated experts who have been trained in stock handling, sales, or management.

Other money-makers include the shopping cart we take to the floors for patients and staff.

We sell lottery pull-tabs to visitors and staff.

Homebodies knit a mile a minute making baby layettes and slippers. Others do very professional crafts and baking for our special sales.

THE AUXILIARY MEETS MONTHLY AND RAISES MONEY FOR MEDICAL MARVELS AND ROUTINE REPLACEMENTS..

Make this excellent volunteering choice!
