

FIVE DAYS in MAY 2017

Continuing Education Credits

Certificates of attendance are available for health professionals seeking continuing education credits for Five Days in May events. To request a certificate, please email research@viha.ca.

Continuing Professional Development (Family Physicians and Specialists)

All events are MAINPRO-M1 accredited for physicians and specialists. You must retain proof of participation (certificate of attendance) for six years in case of audit. We encourage individuals to **log hours of credit online**. For more information please see:

- Maintenance of Proficiency for family physicians at: <http://www.cfpc.ca/MAINPRO/>
- A short YouTube video from the BC Chapter of the CFPC as a primer: <http://www.youtube.com/watch?v=LdQY6lQfrOA>
- The Royal College Maintenance of Certification Program for specialists at: <http://www.royalcollege.ca/rcsite/cpd/maintenance-of-certification-program-e>

Society of Clinical Research Associates

All credits are self-reporting only (not pre-approved). The certificant must maintain copies of program descriptions or agendas, and some form of verification of attendance such as a certificate of completion or letter of attendance. A random audit of programs submitted for CE credit will be conducted yearly.

- Request a Certificate of Attendance and an Agenda for each of the Five Days you attended. **Submit these only if you are audited.**
- For more information, see: <https://www.socra.org/certification/maintenance-of-certification/continuing-education-requirements/>

Association of Clinical Research Professionals

May 31st events are pre-approved for credit hours and will not be subject to audit, but members must still self-report in one of two ways:

1. **Online**—log on to www.acrpnet.org with your e-mail address and password; click “My Contact Hours” quick link; “Add” the activity details and “Save”.
2. **Printable Activity Form**—this form should be used if points have not been reported online. It can be found at **Maintenance of Certification** webpage. It must be uploaded during the online application process or attached to the printable application.

Report the following information about each activity:

- 1) Activity / Course Name;
- 2) Program Date;
- 3) Number of Points;
- 4) Content Type (i.e., Research, Healthcare, Continuing Involvement);
- 5) Activity / Contact Hour Type (i.e., Nursing, CME, etc.)

For more information, see:
