

RESPIRATORY EDUCATION CENTRE Patient Information

July 12, 2017

Patient Name

Dear (patient):

Re: Appointment on _____

Royal Jubilee Hospital 4th Floor, Royal Block

As mentioned today, you have been referred to the Respiratory Education Centre. As a part of that referral, the Respiratory Education Centre offers education for your lung condition. You will be meeting with our Respiratory Educator, **Mark Finnis**, who will help you gain a better understanding of your lung condition and learn the skills needed to manage it.

- Please report to the Respiratory Education Centre 10 minutes prior to your scheduled appointment.
- Check-in at Respiratory Reception in the Royal Block, 4th Floor. This is in the older part of the Royal Jubilee Hospital. (please see map below)
- If your appointment is for after 3:00 pm, please proceed directly to waiting room, Room 410 and our respiratory educator will meet you there.

Parking:

Parking is available next to the Royal Block building (please see map enclosed). You will need \$2.75 change or credit card. Parking is limited, so please allow enough time to park and walk to the Royal Block.

If you need to cancel/reschedule your appointment:

If you are unable to come to your appointment, please call and leave a message with Stephen at 250-370-8265. If you think you have the flu or a cold, please do not attend that day, instead call Stephen to be rescheduled.

Preparation:

- Please bring your health card to your appointment and the name of your family doctor and/or specialist.
- Bring all of your respiratory medications and spacer device, if you have one.
- Bring your COPD Action Plan, if you have one.

To learn more about the Respiratory Education Centre, check out our web site at www.viha.ca and type **Adult Community Respiratory Care Centre** in the search box at the upper right.
