- b) Notwithstanding the foregoing, the Service Provider may, by written request, seek HO's approval to store or maintain Records at a facility other than an Authorized Site. The use of any such off-site facility by the Service Provider for the storage and maintenance of the Records will be subject to the Service Provider's strict compliance with any conditions imposed by HO from time to time. The Service Provider is responsible for ensuring that the conditions at off-site storage facilities are the same as or better than the conditions at the Authorized Site.
18. Privacy Representative
Upon execution of the Agreement, the Service Provider will appoint a Privacy Representative and such person will have sufficient authority to make decisions and execute documents on behalf of the Service Provider as may be required from time to time for the administration of this Schedule. The Service Provider shall promptly provide the HO of the name of its Privacy Representative and shall notify the HO of any change of its Privacy Representative.
19. Notice of Breach and Corrective Action
- a) The Service Provider will provide HO with prompt written notice of any actual or anticipated Material Breach, including full particulars of such breach.
- b) The Service Provider will co-operate fully with HO in preventing the occurrence or recurrence of any breach of this Schedule, including, if requested to do so: (i) by preparing a written proposal to address or prevent further occurrences; (ii) complying with the reasonable directions of HO; and (iii) taking all reasonable steps to recover or obtain any Records that have come into the custody or control of third parties contrary to FIPPA or this Schedule.
20. Audit, Inspection, Investigation & Cooperation
- a) The Service Provider will permit HO and/or its representatives and agents to conduct periodic audits of Records related to performance by the Service Provider and the Personnel of the Service Provider's obligations under this Schedule. HO may, at any reasonable time and on reasonable notice to the Service Provider, enter on the Service Provider's premises to inspect any Records in the possession of the Service Provider or any of the Service Provider's information management policies or practices relevant to its management of Personal Information or its compliance with this Schedule, and the Service Provider must permit, and provide reasonable assistance to, any such inspection.
- b) Upon request by HO, the Service Provider will, at its own cost, promptly provide any Records in its possession, custody or control to HO or its designate.
- c) The Service Provider will, at its own cost, fully cooperate (including by providing access to Records and related documentation and information) with HO in the event of any audit, investigation, inquiry, complaint, suit or other legal proceeding regarding any actual or alleged breach of FIPPA or this Schedule, including but not limited to a Material Breach.
21. Default & Termination
- a) Notwithstanding anything in the Agreement to the contrary, the Service Provider and the HO hereby agree that a Material Breach by the Service Provider will give rise to a right on the part of the HO to terminate the Agreement immediately upon written notice.
- b) Without limiting the generality of the foregoing, the Service Provider agrees that in addition to any other rights or remedies the HO may have for a breach of this Schedule, HO has the right to an injunction or other equitable relief in any court of competent jurisdiction enjoining a threatened, anticipated or actual breach of this Schedule or FIPPA by the Service Provider.
22. Change of Law & Amendment
- a) In the event of any change in FIPPA or other Applicable Law that would necessitate a change to this Schedule in order to ensure compliance, HO, by written notice to the Service Provider, may amend this Schedule in such manner as the HO reasonably determines necessary to comply with such Applicable Law to the extent it is directly applicable and enforceable against the Service Provider. This provision is additional to any rights of the HO to terminate pursuant to this Section 22.
- b) The Service Provider shall promptly notify HO in writing of any fact or circumstance, including a change in law, which has, or may reasonably be expected to have, a material adverse impact on the Service Provider's ability to fully comply with this Schedule. Upon receiving such notice, HO may, at its option, exercise its rights under Subsection 22(c) below or immediately terminate the Agreement by notice in writing.
- c) In the event of any change in the circumstances of either party, Applicable Law, including FIPPA, or any foreign laws applicable to the Service Provider or HO that would affect, in the reasonable opinion of HO, (i) either party's ability to perform its obligations under this Schedule, or (ii) the effectiveness or sufficiency of this Schedule in ensuring best practices and legal compliance, the parties will, at HO's option, enter into good faith negotiations in an effort to address any such issues by amendment to the Schedule or otherwise. If the parties are unable to reach agreement or the issues cannot reasonably be addressed by such agreement, then HO may terminate the Agreement upon the provision of reasonable written notice to the Service Provider.
23. No Withholding
The Service Provider shall not be entitled to, and hereby waives any and all right to, withhold any Records from HO to enforce any alleged payment obligation or in connection with any dispute relating to the terms of the Agreement or any other matter between HO and the Service Provider.
24. Return or Destruction of the Record Upon Request
- a) Except as otherwise specified in the Agreement, the Service Provider will retain the Personal Information and Records until it is provided with a written direction from HO regarding its return or destruction.
- b) Upon the expiry or earlier termination of the Agreement or, at any time upon the written request of HO, the Service Provider will promptly and at its own cost, (i) return or deliver all Records, including any copies thereof, to HO; or (ii) destroy, according to HO's instructions, all documents or other Records, including any copies thereof, in any form or format whatsoever in the Service Provider's possession constituting or based upon Personal Information and, upon HO request, will provide a completed Certificate of Destruction in a form satisfactory to the HO. After a request is

made under this Section, the Service Provider will not retain any Records for any purpose without the prior written consent of HO. If, for any reason, the Service Provider fails to return or destroy any Record in accordance with this Section 24, the Service Provider's obligations pursuant to this Schedule will continue in full force and effect.

c) Unless otherwise directed by HO, if the Service Provider is directed to destroy Records, the Service Provider will ensure that the destruction occurs as follows:

- i. Personal Information erasure will be accomplished by software erasure or by physical destruction of the media;
- ii. Software erasure and physical destruction will be at a minimum to NIST 800-88 standard, as updated, amended or replaced from time to time; and
- iii. Physical destruction of paper media will occur by burning, cross-cut shredding, or pulping.

25. General

a) If a provision of this Schedule or the Agreement (including any direction given by the HO under this Schedule) conflicts with a requirement of FIPPA, the conflicting provision of the Agreement (or direction) will be inoperative to the extent of the conflict.

b) Unless otherwise expressly provided in the Agreement, if a provision of this Schedule is inconsistent or conflicts with a provision of the Agreement, the conflicting or inconsistent provision in the Agreement will be inoperative to the extent of the conflict.

c) The Service Provider expressly acknowledges and agrees that this Schedule is binding on the Service Provider notwithstanding any Conflicting Foreign Order or the laws of any jurisdiction outside of Canada purporting to compel disclosure or production of the Records or otherwise conflicting with this Schedule. It is the responsibility of the Service Provider to ensure that its obligations under this Schedule will not come into conflict with any Conflicting Foreign Order or any foreign laws.

d) The Service Provider's obligations under this Schedule will continue despite the expiry or earlier termination of the Agreement.

e) Except as otherwise provided in this Schedule, no amendments to this Schedule will be effective unless made in writing and agreed to by the parties.
