HOW DO THEY DO IT?

Some come to the monthly meetings.

Some work at the all-volunteer hospital shop as cashier or buyer or behind the scenes.

Some work on the Christmas campaign - Poinsettias for Patients

Some help with our rooftop Oasis@3North

Some help with bazaars, sales, selling chocolate bars.

LOOK WHAT WE'VE DONE

The Auxiliary has spent almost 3 million dollars, buying hospital equipment, pushchairs, cafeteria plants, all the concourse furniture, outdoor benches, items in partnership with the Victoria Hospitals Foundation, hand-knitted layettes to the New Year's babies, The rooftop **Oasis@3North: A project of the AUXILIARY** is a first -- the first project of its kind by a hospital auxiliary and it's named for us -- a place for patients, visitors, volunteers, & staff to relax. In 2018, the Auxiliary bought **FREE WIFI** for the patients, visitors, and volunteers.

We provide tax receipts for all donations!

TELL ME ABOUT THE SHOP

Since the building of the Victoria General Hospital, the Auxiliary has run the giftshop - the Auxiliary's principal source of funds. Over the years the Auxiliary has spent millions on the hospital. The shop Manager trains volunteers to work in the shop or backstage. Everyone from cashiers to bookkeeper give their time and talents.

THE MEETINGS

Snappy & efficient business meetings are the third Tuesday 11 to 12:30 in the Lecture Hall of the hospital. It's a time to catch up on Auxiliary activities. All welcome!

Please note that we meet a week early in December and take July and August off.

MAJOR CAMPAIGNS

In partnership with the Victoria Hospitals Foundation, **Poinsettias for Patients** campaign sells holiday plants (grown locally & really really healthy) to purchase a needed item each year.

A rooftop Oasis@3North allows patients, visitors, volunteers, and staff a leafy spot to relax.
