## PRENATAL REGISTRATION

We believe that your lived experience matters. This form helps us to learn about you, from you. After reviewing your information, a public health nurse may contact you to discuss what public health supports are available to you. The information you provide on this form will be part of your confidential health record.

Save your completed form and email to rfts@islandhealth.ca.

For help with this form, or for more information, call your local health unit (www.islandhealth.ca/our-locations/health-unit-locations).
