Request for Medical Referral for Psychiatric Appointment to
DDMHT Child & Youth Consultation Service

Dear Doctor

DDMHT Child and Youth Consultation Service is a collaborative service, designed to provide one-time psychiatric assessment of children & youth age 5 – 19 with special needs (ASD, FASD, CP etc) that currently do not have access to or do not meet eligibility requirements for DDMHT, VIHA Child and Adolescent psychiatry services, or MCFD/ CYMH services.

The patient being to this service will be seen by our Child and Adolescent Psychiatrist, Dr. Gisele Ferguson, MSP 66448.
As the primary physician, you must be in favour of the Consultation to proceed.

If you support this consultation, please complete and return this Psychiatric Assessment Referral form with any supporting documentation to us by mail at the above address, or by **fax at 250-519-3518**
