## Latest News:

### Launch of the monthly Resident Newsletter

Because we know how important regular communication is, we have launched this monthly newsletter as a way to help our Residents and their Families feel more at ease with this move.

Each month we will update you on progress towards the move, inform you of important dates, and about ways you can be involved in and prepare for the move.

### Moving date

Are you wondering when the move will take place? The expected move-in date is **February 2020!** Lots of work is being done behind the scenes to coordinate this move, so stay tuned for further updates.

### Parking and Travel

The Summit will have underground parking with 94 spaces. A committee is working on ways to best allocate parking for visitors, staff, physicians and volunteers.

The Summit is also near several BC Transit routes. Currently two bus lines stop directly in front of The Summit: #4 UVic/Downtown and #9 Royal Oak/UVic.

See <https://bctransit.com/victoria/schedules-and-maps> for more information on these routes.

### Resident and Family meetings

The Site Managers at Oak Bay Lodge and Mt Tolmie Hospital are beginning to schedule Resident and Family meetings to learn about your requirements for the move to The Summit. These will be taking place over May and June.

## Help make The Summit your home!

Would you like to help name the Houses at The Summit? There will be two themes for House names - Flowers/Gardening and Birds. Give us your most creative suggestions (using the following guidelines). Just fill out a ballot and put it in The Summit query box in the main lobby at your site – Mt Tolmie Hospital and Oak Bay Lodge. We will choose the most popular names as submitted by you!

Naming guidelines:

- A short name - just 2 or 3 syllables
- Something easy to remember
- Each name will end with "House" (ie: Lavender House or Heron House)

The contest will close on Friday 10th May. Winning House names will be posted in the June newsletter.

If you have any questions, please speak to your Site Manager.

## Construction Update:

- Nathaniel Branden
