Moving day – the countdown begins

We are only 7 ½ months away from our move-in date in early February 2020! There is still lots to do before we move.

We are working with the moving company, Healthcare Relocations, to plan out the move. More details will be coming out in the Fall.

Our Vision for The Summit:

Our vision for The Summit at Quadra Village is to deliver quality driven, Resident focused care in an environment that is home-like, welcoming and inclusive for our Residents and their Families, Staff and Physicians.

To achieve our vision, we will be focusing on 3 areas:

- Improving Resident Experience
- Improving Care Team Experience
- Providing Excellent Health and Care

Each newsletter we will focus on one of these areas.

Latest News:

The Summit Open House events

We held two Summit Open Houses in May and they were very well attended by our Residents, Families and Volunteers. We thank you for your active participation and questions. We gathered your questions from the Open Houses and updated the Resident and Family Frequently Asked Questions document. These questions and answers are posted on The Summit notice boards at each site, as well as on the public internet site (see link on page 2).

Resident and Family Meetings

Site Managers and Social Workers are meeting with all Residents and Families at Oak Bay Lodge and Mt Tolmie Hospital to understand your requirements for the move. This information will inform our move plan. They will be in touch again prior to the move to provide further information to prepare you for the move.
