### TELEHEALTH:

Telehealth allows you to “meet” with your out-of-town health care provider using technology over our secure and private network. Telehealth can connect you to your clinician in communities on Vancouver Island or even to providers in Vancouver or in another province.

### CHECKING IN FOR YOUR APPOINTMENT:

Park in the Rehabilitation parking lot off Boundary Ave or on the street if available. The parking lot has signage that says “Rehabilitation” at the entrance. Above the building entrance is a sign that says “Rehabilitation Outpatient Services”. To the left of the doors is the parking ticket machine and immediately to the right is the MS Clinic Room G011. Please have a seat outside the office door and fill out the questionnaire as usual. The nurse will be with you as soon as she finishes with the last patient.
