

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Vancouver Island, BC

Explore Laboratory Services Opportunities in Communities Across Vancouver Island, BC

At Island Health, we provide public health care services to over 794,000 residents throughout our region. We strive to create work environments that support and attract workers with passion, professionalism and dedication that will help us provide the highest quality of patient care.

Newsweek ranked Royal Jubilee Hospital and Victoria General Hospital, two of our 13 acute care hospitals, the 7th and 12th best hospitals in Canada in 2019. That makes Royal Jubilee Hospital the top rated in British Columbia! 1,000 hospitals were selected based on recommendations from medical professionals, patient survey results and medical performance indicators.

Our Teams

Island Health's department of Laboratory Medicine, Pathology and Medical Genetics (LMPMG) is committed to excellent patient care and providing high quality laboratory services.

The Department employs Medical Laboratory Technologists and Medical Laboratory Assistants with unique, specialized skills that are highly valued.

Our Medical Laboratory Technologists are registered with the Canadian Society of Medical Laboratory Science (CSMLS). Our Laboratory Assistants are graduates from an approved medical laboratory assistant program.

Our Working Environment

Our integrated island-wide Laboratory Information System (LIS) allows for seamless delivery of quality information regardless of the patient or provider location. Our adoption of a Quality Systems Essentials model is supporting our goal of standardized processes and procedures to fully implement a quality system. This includes standardization of our equipment platforms.

Whether you prefer working in a small town, rural community-based setting, or city with access to world class reference labs, Vancouver Island and Island Health likely has what you are looking for. Choose the location to match your lifestyle while making a difference to your patients.

What we offer

Excellent Benefits Package - We offer an exceptional employer-paid benefits package including dental and prescription coverage, government backed Defined Benefits Pension Plan, long term disability and extensive extended health plan, plus four weeks' vacation after your first year of employment.

Relocation Assistance - Relocation assistance may be available for some positions.

Growth and Development Opportunities - With a variety of locations across Vancouver Island, you have the ability to work in tertiary care, community and rural hospitals as well as outpatient clinics. We also offer training and educational opportunities to help you grow your skills and develop in your career.

More about Vancouver Island

Surrounded by ocean, Vancouver Islanders enjoy the best year-round climate in Canada with warm summers and mild winters. Imagine skiing, golfing and scuba diving all in the same day! The relaxed pace, easy access to outdoor activities, an abundance of art, music, theatre and festivals ensures that there is something for everyone. Whatever the lifestyle you are looking for, we have it here. Vancouver Island also offers quick access to Vancouver by ferry and seaplane.
