

Influenza Vaccine Inventory Reporting

Attention Community Vaccine Providers

Community Vaccine Providers are expected to report their flu vaccine inventory **weekly**.

- This helps Public Health monitor and maintain an equitable vaccine supply among providers
- Public will know where to access vaccine in the community
- **Note:** subsequent flu vaccine orders will **not be filled** by the health unit if inventory has not been updated within the last 7 days

Visit <https://cvp-inventory.islandhealth.ca>

- Log-in using your 10 digit passcode
 - You should have received your passcode from Public Health. If you do not know your passcode contact fluteam@viha.ca
- Follow instructions listed on Community Vaccine Provider (CVP) Inventory page
- If you are unable to log-in, please contact fluteam@viha.ca
