Central Access & Rapid Engagement Services (CARES)

1119 Pembroke Street
250-519-3485

CARES provides a single point of access to Mental Health & Substance Use (MHSU) services for clients, family members, primary care providers, and other service providers.

Outreach services may be available to help people, who are unable to reach out themselves, connect to services.

Central Access and Rapid Engagement Services (CARES)

Accessing support for mental health and/or substance use concerns in Victoria

How to Access

In order to access CARES programs, please call 250-519-3485, or have your primary care provider or walk-in clinic doctor fax in a referral form.

Referral forms can be found online at www.islandhealth.ca/MHSU-Access.

Completed forms can be faxed to 250-381-3222 or dropped off in person at 1119 Pembroke Street.

Eligibility will vary per program. If you have any questions about the access process, please call 250-519-3485.

We acknowledge with respect the Coast Salish Nuu-Chah-Nulth and Kwakwaka'wakw peoples on whose traditional territory Island Health occupies, and whose historical relationships with the land continue to this day.
