

Family Caregiver Inclusion Policy

Patient Partnership Opportunity

Patient & Public
Partnership Program

Purpose and Goals:

Family caregivers are essential partners in healthcare. Their substantial contributions support the healthcare system and improve patient outcomes. As the demands on family caregivers continue to increase, we know that there is more we can do to ensure caregivers are fully included and supported in care planning and care delivery. Seniors Health is leading the development of an Island Health wide policy that will aim to support the inclusion of family caregivers in care, across all care settings.

Opportunity for Involvement:

We are looking for a 2 patient partners with lived/living experience as a family caregiver to help shape and inform this new organizational policy. A patient partner will have unique insights on the challenges and needs of family caregivers and how Island Health can best support them.

- Meetings will be held virtually via Microsoft Teams for 1 hour per month starting in March. Exact day and time TBD.

Please note that this engagement is not compensated.

Level of Engagement:

Involve

Expected Commitment Length:

The Working Group will run for 6-8 months.
